

2010 AROC Directors Election Results – Tuesday, April 20, 2010

Dave Beach, a retiring Director, was the official ballot counter this election, since **Jolene Justus**, the AROC Administrator, had a conflict of interest with her husband being a candidate in the Director election. If you voted using the paper ballot, you mailed it directly to Dave Beach. Dave was also the only person who had access to download the online voting results. Dave has certified the following results for the 2010 Director election.
