The Alfa Romeo Owners Club-USA (AROC) is a national organization with 45 local chapters. With our presence in so many places, you will have the opportunity to meet with other Alfisti/Alfista who also appreciate the many facets of Alfa ownership. These chapters hold regular meetings, publish newsletters, and sponsor social, technical, and competitive activities.

AROC holds an annual convention with tours, rallies, autocross, art show, time trials, a Concours d'Elegance, and technical sessions on a variety of topics. The convention location moves around the United States so one will frequently be near where you reside.

With your membership you will receive our monthly publication, **Alfa Owner**. If you enjoy working on your Alfa, you may find help by calling our technical advisors or obtaining a copy of a manual available through our Technical Library.

There are five types of annual memberships available, each type receives a copy of the **Alfa Owner**, has at least one national and chapter vote, and gets a membership card.

Standard Membership dues for \$68 – an **Alfa Owner** and a window decal

Gold Family Membership for \$90 – for two people in same household; an **Alfa Owner**, two votes, annually selected item(s), and each gets a membership card.
