# Florida Southern Visit

Delmas Greene

On May 15th 2004, several members of the Florida Alfa Club visited Florida Southern College in Lakeland to tour some of the buildings designed by Frank Lloyd Wright. A tour guide led us across campus, discussing many stories related to the controversial designs.

We met at 10:00 AM at Westshore Plaza in Tampa. David Rigall led the caravan through downtown Tampa, Ybor City, and back roads to Lakeland.

Members in attendance were: John and Linda Rady, Graham and Heidi Spencer, John and Sheryl Picot, Polly and Delmas

Greene, David Rigall, Annette and Joost Gompels (FAC members from Savannah, Ga., who were visiting and were able to attend our club meeting on Thursday night as well as this event), and Steve Stern ( a member from Lakeland who met us there and took the caravan on a little tour of Lakeland after lunch).

After a long walk and informative tour of the campus, the group met a local Italian Restaurant called Paninos. Great Italian food and spirits were served to help celebrate yet another great event.

Thank you Delmas for story and photos!

**Water Restrictions? Use No Water!** <sup>0</sup>

**Dri-Wash N Guard Instead.**

Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.
