Convention Quickie

David Rigall and I attended most functions. Full reports next issue, just to quick to get it in this edition. There was an Alfa drag race, won by Steve Piantieri, on the board, Bill Gillham is new President, Chip Denyko still Vice Pres., Ed Geller still Treasurer, and John Justus is Secretary.

The time trials was a great event, yours truly worked corner 11 and road the fun run at lunch with a local member. Challenging track. Saturday I worked the Autocross, announcing the event, then drove Steve P's race spider and had a ball. Cool race car! Typical banquet with about 700 attendees! Concourse was nice but weather forced it into the garage :(Hard to get good photos! Chip

Water Restrictions? Use No Water! 4 Dri-Wash N Guard Instead.

Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.

New Dealers wanted. Just see Chip at any event.
