FAC Meeting May 12, 2005

In attendance - Linda & John Rady, Polly & Delmas Greene, Bill Kelly, Delson Correa, John Picot, Dick Downs, Dave Rigall, and Chip Denyko.

Polly gave the treasurers report.

New Business – A reminder the British Car Club event in Phillippee Park will be July 2nd. This weekend is Cedar Key weekend, some of the British club, some others will attend as well.

Polly and Delmas told of their experience at Amelia Island, covering all the events along the way. The weather concerns and a parking garage, and the many new invitations Delmas has received since Amelia Island – Concorso Italiano, Meadowbrook, Hilton Head, Watkins Glenn and a few others!

Delmas had an Alfa brochure from the UK for the Kamal that included a CD. The group viewed the CD.

Note - Bill Kelly the 5 speed transmission for his 2600 did not pan out – it was sold already about 8 months ago – the search continues!

Editors Note: My apologies - a Notizia did not go out last month, and this month I find myself overwhelmed once again. I will continue to feed photos from Amelia. Chip

Water Restrictions? Use No Water!

Dri-Wash N Guard Instead.

Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.

New Dealers wanted. Just see Chip at any event.
