Car Show / Picnic

at Fort DeSoto Park

Couldn't have been a more picturesque day - the kind the COC wants you to see. And add the top rated beach in 2005, and some car enthusiasts!

Some 30 plus Alfa club members from 5 counties, including a few new members joined the group at Fort DeSoto Park. One British Car Club member attended also, with 15 cars in the show. With our own section roped off the cars lined up for a spectacular event.

A few beach goers stopped by to comment on days they had owned Alfas, and even asked to vote in the peoples choice award!

Results of the tally brought Violet and Nino Montopoli's Ferrari in as favorite, with a tie for second place between Linda and John Rady's Maratona and Cheryl and John Picots Montreal.

Hands down agreed - we're going to do it again next year - it's just too lovely a spot not to go and park some pretty cars...

Next Event up (following Christmas Dinner) -
Lakeridge Winery Tour - Saturday January 14th, leaves West Shore Plaza at 10 AM, Winery Tour approximately noon, followed by lunch (on your own) at the winery. A reminder will be posted in the January Notizia as this will follow the January regularly scheduled meeting.

Water Restrictions? Use No Water! ¹

Dri-Wash N Guard Instead.

Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.

New Dealers wanted. Just see Chip at any event.
