Rumors of "all the Alfast that didn't show last year would be here this year" proved to be false. Two gorgeous and very interesting Alfa's were there, but not the group we'd hoped for. Still had the Alfa crowd so all was not lost..

## Amelia Island - Concors de' Elegance

I'd heard that up to 40 cars that couldn't come last year under threat from Pebble beach would this year be at Amelia Island. So even though a business trip was scheduled very early Monday, and other restrictions held me until early Sunday, I did a one day up and back. When I only found 2 Alfa's on the field, needless to say I was crushed.

Two very lovely Alfa's however rescued the day. Mark Gessler of Potomac Md also had done some extremely extensive research on his car, righting wrongs that had been done to the car from historical

photos and assembling an amazing history to accompany his car. Very freshly restored, this was it's first outing. Awesome...

Henry Lewis brought his 29 1750 Super Sport which is quite beautiful as well. We hope to see both cars at upcoming events!. Chip

**Dri-Wash N Guard Instead.**

 Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.

New Dealers wanted. Just see Chip at any event.
