Monthly Meeting Thursday July 13th

Paradise Restaurant - 443 Main St. Safety Harbor, FL

Convention - Tulsa was awesome - what a great time!

Ooooooooooooo-klahoma National convention was fantastic. Erase any pre-conveived notions - they did a bang up job! But, my camera battery is dead and I have no power supply - so photos will have to wait till next month... :(

Could it be? More rumors, or the real thing?

Still no additional updates on an Alfa return - however... plans to double AR production to over 300,000 units are in plans, and the official AR site now states that the "Long awaited" return is planned in late 2007... good news indeed... Also, the new Spider AND a 147 replacement are being based on the Brera base. 159's are being delivered in expanding markets.

Dade City Brunch Drive is Saturday July 15th

Fun drive on nice roads to Dade City for Brunch...

Dade City Drive

Event has been changed from a dinner drive to a Brunch drive. Attendees should contact Delson Correa ((727) 328-2185 or dcinternacional@yahoo.com) so we have a count for the restaurant. Drivers will gather and depart at 09:30 AM from the Publix parking lot at the corner of Tampa Road (aka Hillsborough Avenue) and Racetrack Road. This backroads drive is very nice to Dade City and finds some of the more windy roads in Florida.

Tampa Bay Automobile Museum

Our first event here, but it looks to be interesting. You can visit the web site at <http://www.tbauto.org> and get info For driving directions

From I-275 exit at Gandy Boulevard Exit #28. Turn west to the first light at Grand Avenue and turn right on Grand Avenue. At the first stop sign at Gateway Centre Parkway, turn left on Gateway Centre Parkway and left at the next street, Gateway Centre Drive, where the Tampa Bay Automobile Museum faces the intersection.

From US19, turn east onto Gateway Centre Drive. This intersection is approximately 8/10 of a mile north of Park Boulevard. Follow Gateway Center Drive until it ends at a stop sign at Gateway Centre Parkway. The Tampa Bay Automobile Museum is on the left.

Water Restrictions? Use No Water!

Dri-Wash N Guard Instead.

Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.

New Dealers wanted. Just see Chip at any event.
