## **Monthly Meeting Thursday August 10th**

**Paradise Restaurant - 443 Main St. Safety Harbor, FL**

### ***Tampa Bay Auto Museum Tour this Saturday!***

*Right under our own noses is a collection of very unique automobiles. This is not Alfa centric, but you're going to see things that are just plain very rare and unique. A very modest entry and if at least a dozen of us, reduced entry! Opens and starts at 10 AM - See inside for map details.*

### ***New Alfa models are winners in Europe***

*Still no definite news, but the European auto shows prove new Alfa models are hot. The updated Spider and 159's are proving to be very popular. Will they make it here anytime soon?*

### ***Tech Session and BG Fuel Injection Cleaning.***

*Our annual Fuel injection sessions at Chip, and weather permitting after session food and pool. Sunday 11 AM to ??? September 17th.*

### Tech Session - Fuel Injection System cleaning w/ BG

It's becoming a tradition - BG Fuel injection cleaning w/ BG products (and anything else we feel like fixing) at Chip's house. Located at 10240 Parsons St., Tampa, FL 33615, Chip's house is located about 4 miles west of Mastro or Tampa International Airport, and just off of Hillsborough Avenue. From Pinellas County, it's a mere 3 miles from the county line on Hillsborough to the turning point. From either direct, you will turn North on Elliott Drive (between a Circle K and Wachovia Bank), proceed to Parsons Street (3 speed humps), then turn left - last house on left (you can't miss it).

**Dri-Wash N Guard Instead.**

 Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.

New Dealers wanted. Just see Chip at any event.
