## Black Barts Emporium - Club Picnic

Bob & Jane Bartel once again sponsored the picnic at their lovely home, which just happens to be a great place to display a group of unique cars. Add that hospitality and some great food. It was reported to be quite an active event with cars coming and going all day long. Here are a few photos courtesy of Cheryl Picot. The Picot's, Rady's and Greene's attended, and Mid Florida was well represented.

## Meeting Minutes & Next Up Event Details...

Florida Alfa Club - Meeting Minutes - April 12, 2007

Present at meeting: John & Linda Rady, Polly & Delmas Greene, John Picot, Nino & Violet Montopoli, Delson Correa, Dennis & Jean Magee (TBCC).

Meeting called to order at 7:50 PM at Campenello's Italian Restaurant.

Polly read the Treasurer's Report.

Ini Old Business:

- \* John Picot reported on the Amelia Island event. Very nice and even more Alfa's than at the 2005 show when Alfa was the marque.
- \* Delmas Greene reported that Casey Annis (publisher of ALFA OWNER) was in town on business with Norm Sippel, and was able to visit and go to "Cars and Coffee" in March. Others were encouraged to attend this month (Saturday, April 21), 7-9 am.
- \* Meeting place still a problem. Members will check out Johnny's on State Road 590 to see if their room will be available for May. Other alternatives are needed; please let John Rady know if you have any ideas.
- \* Dennis Magee reported on a speaker the British Car Club had at its recent meeting. A WIX representative spoke about oil filters, synthetic oils, etc. John Rady had attended and agreed that it was a worthwhile and informative talk.

Coming Events:

- \* Car show at Mazzaro's in St. Pete is scheduled for April 14th. Delson has talked with owner who is expecting us between 9:00 am and 3:00 pm.
- \* "Black Bart's" annual potluck picnic in East Palatka is April 29. This is our official event for April—please put it on your calendar to attend. Hotel nearby.
- \* Delson proposed going back to "Brunch on the Beach". This was tabled for now due to lack of available date, but will be readdressed at a later time.
- \* Meeting adjourned.

**Water Restrictions? Use No Water!**

**Dri-Wash N Guard Instead.**

Dri Wash is a glaze not a wax. Wax is abrasive. Dri Wash cleans and brightens, removing oxidation and old wax and placing a protective glaze on your paint. Only 2 ounces cleans an average size family car in 20 minutes and treatment lasts for months. In between, clean your car with only a wet cloth and a dry cloth. Dirt floats to the surface, paint is NOT scratched! Also Tire and Vinyl products, carpet cleaner, etc.
