

ALFETISH

Welcome to all the new members and thanks to all who have renewed your memberships in the past 30 days. We appreciate you all very much. Thank You! We now have 81 members, which shows a growth of 35% since March 2023. The OVAROC was the best growing Club within the AROC USA during 2023 with 18.9%. This is particularly important not only because we were #1 in that metric in the US but also, because we are now #21 of the 49 Branches in the US in terms of number of members. We will **Participate** (in as many Club events as possible), **Share** (our Alfa Romeo passion with everyone) and **Enjoy** (each other, our friendships and our engineering masterpiece cars) and while doing all that, we will continue growing this great Club. Let's do it.

Please keep an eye on the Calendar of Events here below in this page for our next opportunities to get together as well as to the section below the calendar, where all the details on each of the future events will be shared.

This week, the OVAROC will be present at the **2024 Cincinnati Auto Expo**. We will have a booth in the **Collectors and Classics Area (red square in below map)** and our OVAROC Canopy will be on, with two Alfa Romeo flags, four Alfa Romeo(s) and with lots of flyers information available to share on the table. There will be at least one Club's member representing us at the booth all the time from Thursday 3/14/24 at 5pm to Sunday 3/17/24 at 6pm. Please stop by to say hello, to share with the public your Alfa Romeo enthusiasm and to enjoy the auto expo. We will see you there!

1. **March 2024.** We will have two events this month:
 - a. From March the 14 to the 17th, the OVAROC will be at the Cincinnati Auto Expo. We want to advertise our Club and the Alfa Romeo brand. Please go on-line for the show schedule, parking and logistics and please stop by. It will be very much appreciated. Collectors and Classics area. In front of the Stellantis area.
 - b. A Driving Tour and Visits to both the British Transportation Museum and the America's Packard Museum in Dayton on Saturday 3/23/24. Special thanks to Bob Santoro for organizing it and leading it. We will meet at 10amET sharp at the Panera Bread's Parking Lot at 9444 Civic Centre Blvd, West Chester, OH 45069 (just off Exit 19 on I-75N). If it is more convenient for you to go directly to the British Transportation Museum, please do so and we all will be there at 10:50amET. **Please contact me or Bob Santoro via email or phone to confirm your attendance by 3/15/2024.**

2. In April, the OVAROC will participate in the Driving Tours by the Classic Motoring Society. On April 20, 2024 the 11th annual Spring Classic Driving Tour event is being scheduled by Kurt Niemeyer. We will be able to participate in and support dozens of different charities via the good works of dozens of car clubs. Mark your calendar and read the future monthly letters for the online registration and more details.

3. From April 2024 on, the usual monthly USB C&C where we normally get together on the second Saturdays of the months at 9am. Then, at 10:30am, we will drive to a decided location nearby, for our monthly Brunch.

4. The Theme for the Sunday 6/09/2024 Cincinnati Concours d' Elegance next year is "La Dolce Vita – Celebrating Italian Style", which will feature all makes and models of Italian cars. The OVAROC will be present in one of the Car Clubs Corrals. We got upgraded to a better place, on the main street just before the entry to the event, across the street from the Ferrari corral and aside the Porsche corral. We will have

15 tickets for the Concourse for the first 15 members who ask me for them. These tickets will be at a discount price (\$35 instead of the regular \$40 at the gate or at their web page). And the best part of all this is your free parking for your Alfa Romeo at just few meters of the event entrance, at the Alfa Romeo Corral. No need to walk miles or to jump on a shuttle to get to the event. Park your Alfa Romeo at the corral.

Please remember to look at your AROC membership expiration dates and if possible, renew your membership.

Also, the OVAROC Web Page is now alive and active. It is part of the AROC-USA Web Site, and it can be reached via <https://www.aroc-usa.org/oh-17-ovaroc/>. We will share on that web page information, news, announcements, and this monthly letter will be published there.
