Welcome to all the new members who have just joined us and thanks to all who have renewed your membership in the past 30 days. We appreciate you all very much. Thank You! We have now 106 members in the Chapter. This represents a growth of 77% in 2 years, since March 2023 when we were 60 members. We continue on track for the 2025 Membership Target. We can do this. Let's do it!

Our Chapter's goals are to **Participate** in as many Club events as possible, **Share** our Alfa Romeo passion with everyone and **Enjoy** each other, our friendships and our engineering masterpieces. Our **Growth Target** for this year (2025) is 25% so we want to have by the end of 2025 125 members in the Club.

The March 2025 OVAROC Gathering at Torque Auto Suites in Blue Ash, OH was a great success. Special thanks to Steve Rosenzweig for hosting the event and providing lots of coffee and pastries. We appreciate it. We toured the model unit, got great information about the whole place and enjoyed on the simulator a lot. Below some pics.
