

Ohio Valley Alfa Romeo Owners Club

JUNE 2025 ALFETISH

**Cincinnati Concours D' Elegance on Sunday, June 8, 2025, from 10 am to 4 pm at Ault Park.** We will park all our Alfas in the exclusive Alfa Romeo Owners Club parking that puts all of us in front and center in all the action. The OVAROC canopy will be up as well as the two feather Alfa Romeo flags. We sold the 40 tickets at a special discount ticket price of \$25 (\$300 go to the OVAROC and Thank You!) to 19 members. I will give you your tickets at the event when you arrive. **I have contacted the 19 members via an email to confirm and commit your purchase. We are counting on that with no option. Please park at the designated area and check in with me to pay me at the canopy for your tickets.** Check out the updated Car Club Parking Map below (look for the **red dot**). As last year, most of the circle drive around the park will be closed to general traffic, and roads within the park will be one-way. **If you're directed to remote parking by volunteers or police, just let them know you have reserved parking in the Alfa Romeo Owners club area and proceed to Observatory Road.** The show starts at 10AM. **Please start arriving at 9:30AM.** **IF YOU DON'T HAVE TICKETS AND PLAN TO COME, PLEASE COME AND PARK YOUR ALFA IN THE DESIGNATED AREA. YOU CAN BUY THE TICKETS AT THE ENTRANCE (\$45 PER TICKET).** Please attend and participate.

**June 2025 OVAROC Get Together at the USB Cars & Coffee on Saturday 06/14/25 from 9am to 11am.** We will be back at the usual meeting location at 8805 Governors Hill Dr, Cincinnati, OH 45249. We will have an area to park all together with two feather Alfa Romeo feather flags up.

Welcome to all the new members who have just joined us and thanks to all who have renewed your membership in the past 30 days. We appreciate you all very much. Thank You! We have now 108 members in the Chapter (-2 members versus May 2025). This represents a growth of 80% since March 2023 when we were 60 members. We continue on track for the 2025 Membership Target. Please spread the word about our Club with the many around Cincinnati driving Alfas who are not members. We are starting June now and by the end of this month, we should have 113 members if we want to be on-track for the 2025 membership target

Our Chapter's goals are to **Participate** in as many Club events as possible, **Share** our Alfa Romeo passion with everyone and **Enjoy** each other, our friendships and our engineering masterpieces. Our **Growth Target** for this year (2025) is 25% so we want to have by the end of 2025 at least 125 members in the Club.

The May 2025 OVAROC Get Together at the USB Cars & Coffee was a great success. We had an attendance and participation of 14 Alfa Romeo(s) in display. Once again, we were the best represented brand in the car show. People liked and we had lots of interesting questions from everyone. Marketing our brand is one thing we can do, very proudly. Remember that these Get Together will happen monthly during the second Saturdays of the month, at the USB Cars & Coffee in Governor's Hill. Below some of the pictures:

The 2025 OVAROC Spring Driving Tour was a success. This event was cancelled few weeks ago because of bad weather but this time, the weather was spectacular. We enjoyed the routes, the sights and our friendships with a very nice 77 miles drive up to Caesar Creek Lake and down to Cincinnati. At the end, the lunch at Shooters Grill was a good closing of a very nice 3 hours event. Be on deck and ready for the 2025 OVAROC

Fall Driv9ng Tour which will be even better. We have 3 options in the works. Those are proven and validated routes in previous driving events so, it will be great. Below some pics:

The 1<sup>st</sup> Jyan Waespe Memorial Car & Bike Show on last Saturday 5/10/2025 from 12pm to 3:30pm was amazing. There was an incredible turnout and we saw thousands of people in public and hundreds of great cars, of all classes. Some of us were there with our Alfa Romeo(s) and it was fun. Well done Jason De Anta. Well done. Below are a couple of pictures:
