At 4:00 PM, we take a Pit Walk, meet the teams, drivers and a fantastic opportunity to get those prized photographs. Then it's back to the City Center for a 'Welcome Dinner'.

DAY 2 – Friday, Oct. 22

This morning at leisure in Austin, then at 12 Noon, it's back to the circuit for the afternoon Formula 1 Practice Session, our first look at the Sauber Alfa Romeo team, and your favorite team in action. Our seating offers fabulous views at Turn 1 or 15. This evening, we are planning dinner at a well known Texas BBQ. Local Alfisti will be invited to join us. * Seating is at Turn 1 or 15. Please see event map. Questions? Call Steve or Cindy.

DAY 3 – Saturday, Oct. 23

An early start this morning. It's Qualifying today, and while there is plenty of racing going on during the day, nothing will come close to the always exciting Qualifying round. After the day's racing, there is an evening Concert at the track.

Headliners have yet to be announced. Past years have seen Justin Timberlake, P!NK, Taylor Swift, and Bruno Mars. You may prefer to return to the city center and enjoy a meal at a myriad of restaurants or get involved with a country music venue Austin is famous for.

DAY 4 – Sunday, Oct. 24

The big day! This morning we head out to the track. Plenty of time to get involved with the pre-race build up. Check out the track vendors and take in the excitement. As race time gets closer, so does the intensity. The anthem, the jet fly by and the engines roar to life. They're off! Whether it's your first F1 or your one hundredth, this is a moment you never forget. Following the race and celebrations, we return to the hotel for a host Happy Hour.
