**Alfa Romeo Owners Club USA
By-Laws Revised
July 1, 2025
DRAFT**

Summary

By-Laws Are Governance. Policies and Procedures Are Implementation of Policies.

The By-Laws of the Alfa Romeo Owners Club, updated in 2006/2008, needed refreshing. The AROC By-Laws Task Force with Legal Counsel involvement took on the challenge to redraft language and communication methods, making the By-Laws relevant for the next two decades.

The new Alfa Romeo Owners Club By-Laws Revised 2025 can be found at:
<https://tinyurl.com/AROC-By-Laws>

Rewritten language updates focus on communication methods currently used and yet unforeseen with clarifying language for AROC Board of Directors organizational matters. Revision highlights:

- Clarified language allowing two elected Directors to be affiliated with same primary chapter with nomination stipulations; affirmation that Board of Directors may fill an unexpired Board term.
- Clarified adoption of Board policies and directives requiring a quorum of the board; clarified Board nominations are made by a chapter or the membership, deleting Board option to provide slate of candidates to run against a chapter or membership nominee.
- Moved annual dues renewal payment due date to AROC Policies & Procedures; clarified definition of individual and family memberships; clarified language for notice of Annual Meeting of the members.

Official adoption of the AROC By-Laws Revised 2025 will be considered at the AROC Board of Directors meeting, September 18, 2025, Holiday Inn Crystal Lake Convention Center, Crystal Lake, Illinois.
